IDEEA PROIECTULUI (BACKLOG)

Proiectul nostru este o aplicație care facilitează interacțiunea directă între traineri și utilizatori. Aceștia se pot programa cu ușurință pentru sesiuni de antrenament personalizat.

- ## ADMIN

  - As an admin, I want to add trainers to the system so that they can manage their students and training sessions.
  - As an admin, I want to view the trainers so that I can manage and oversee their activities.
- ## TRAINER

  - As a trainer, I want to register new students so that I can manage my trainees
  - As a trainer, I want to modify the schedules of my students so that I can adjust sessions when needed.
  - As a trainer, I want to renew expired subscriptions so that my students can continue their training without interruption

- ## USER

  - As an authenticated user, I want to receive notifications when my schedule is changed or my subscription is renewed so that I stay informed
  - As an authenticated user, I want to cancel my subscription so that I can stop my membership if needed
  - As an authenticated user, I want to access the calorie calculator section so that I can track my diet and progress
  - As an authenticated user, I want to communicate with other users in a group so that I can share experiences and stay motivated

TRANSFORMĂ-ȚI CORPUL. ÎNTĂREȘTE-ȚI MINTEA. DEPĂȘEȘTE-ȚI LIMITELE!
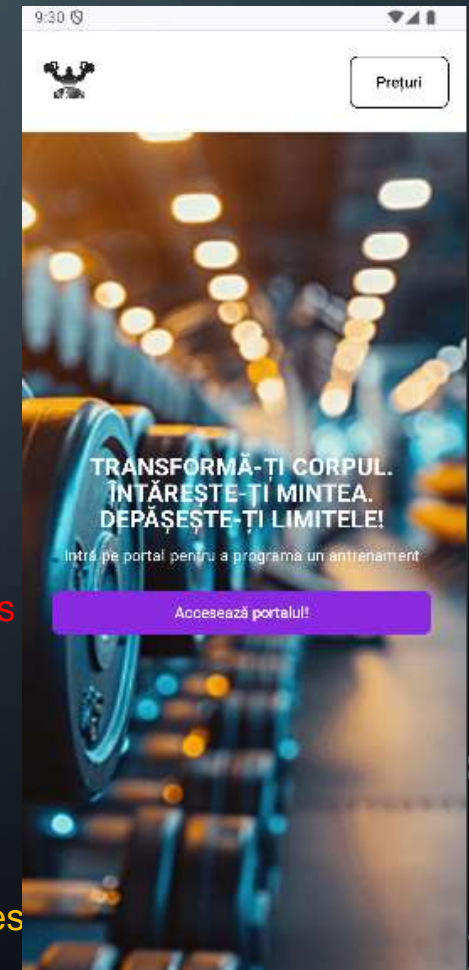

ARHITECTURĂ

ASPECTE TEHNICE INTERESANTE ȘI/SAU DIFICILE

- Containerizare cu Docker

- Familiarizare cu Jetpack Compose

- Creearea unui server extern

- Air pentru auto recompiling

CE MAI AVEM DE IMPLEMENTAT PÂNĂ LA FINALIZAREA PROIECTULUI

- 1. Task-uri începute dar pe care nu le-am finalizat încă:
  - As a trainer, I want to register new students so that I can manage my trainees
  - As an authenticated user, I want to communicate with other users in a group so that I can share experiences and stay motivated

- 2. Task-uri neîncepute încă:
  - As a trainer, I want to modify the schedules of my students so that I can adjust sessions when needed.
  - As an authenticated user, I want to receive notifications when my schedule is changed or my subscription is renewed so that I stay informed
  - As an authenticated user, I want to schedule a session for the next day so that I can secure my workout slot

CE MAI AVEM DE IMPLEMENTAT PÂNĂ LA FINALIZAREA PROIECTULUI

- 3. Extra
  - De adăugat în CV (dacă iese bine)
  - Verificări useri (ex. pe mail)
